NEW GEN DEATHCORE

ABOUT

MUSIC, STAGE AND IDENTITY

PIRCHU is a Chilean deathcore band from Santiago, blending crushing heaviness with a distinctive pink, cute, and heart-driven aesthetic.

Active on stage since 2024, the band has released two studio albums and is currently working on new material.

Known for their energetic and interactive live shows, PIRCHU brings controlled chaos to the crowd with pink inflatables, pool noodles, and an unmistakable visual identity, delivering a fresh, young take on modern deathcore.
